Hans Günter Brauch:
Liberalisation of the Energy Market for Electricity and Gas
in the European Union:
A Survey and Implications for the Czech Republic
(Berlin: Umweltbundesamt, 2001), in preparation.

Contents

Preface by the President of the Federal Environmental Agency, Prof. Dr. Andreas Troge	5
List of tables	11
List of figures	12
List of abbreviations	13
English Summary	19
Introduction, Readers Guide and Acknowledgements	23
	25
Part I: The Context: Evolution of Energy Policy in the European Union	27
1 The European Union: Widening and Deepening	31
2 Development of a European Energy Policy	32
2.1 Energy Policy Objectives and Stages	34
2.2 Treaty Law: ECSC and Euratom	37
2.3 Evolution and Areas of European Energy Policy	39
2.4 Creating Secondary European Community Energy Law in the 1990s	42
2.5 European Energy Economy	43
5.1 The Energy Producers: Netherlands, Denmark and United Kingdom	44
2.5.2 The Large Energy Importers: Germany, France and Italy	
2.5.3 The Small Energy Importers: Austria, Belgium, Finland, Sweden and Luxembourg	46
2.5.4 The Cohesion Countries: Ireland, Greece, Spain and Portugal	46
2.6 Project of an Internal Energy Market (IEM)	48
2.7 The Goal of a Common Energy Policy (CEP)	49
2.8 Developments Towards a Common Energy Policy	54
2.9 Green and White Paper for a European Union Energy Policy	55
2.10 Role of the Four Big EU Countries Towards Energy Liberalisation	59
	59
Part II: Liberalisation of the European Market for Electricity	61
3 Structure of the European Electricity Market in 4 Countries	61
3.1 General Characteristics of the Electricity Market	
3.2 Industry Structure, Ownership and Regulation Style Prior to Liberalisation in Ger-	64

many, France, Italy, UK	64
3.2.1 The German Electricity Sector	67
3.2.2 The French Electricity Sector	68
3.2.3 The Italian Electricity Sector	69
3.2.4 The British Electricity Sector	72
3.2.5 Consequences of the Reform of Electricity Markets	73
3.3 European Networks of Electricity: UCPTE, NORDEL, CENTREL	77
4 EU Liberalisation of the Electricity Market	77
4.1 The First Stage: 1986-1992: The Electricity Transit Directive	80
4.2 The Second Stage: 1991-1999: Internal Electricity Market Directive	84
4.3 Review of the Content and Legal Provisions of Directive 96/92/EC	86
4.4 Energy Policy in the Framework of Trans-European Networks	93
5 Implementation of EU Electricity Liberalisation in 4 Countries	93
5.1 EU Activities in Implementing its Directives on Electricity Liberalisation	101
5.2 Survey: Status of Implementation in all 15 EU Countries in Summer 1999	104
5.3 National Legal Adaptation in 4 Key Countries: Germany, France, Italy, UK	105
5.3.1 Status of National Implementation in the United Kingdom	108
5.3.2 Status of National Implementation in Italy	110
5.3.3 Status of National Implementation in France	110
5.3.4 Status of National Implementation in Germany	117
5.4 Comparison of the National Implementation Policies and Results	118
5.5 Conflicting Goals: Energy Liberalisation and Sustainability?	125
Part III: Liberalisation of the European Market for Natural Gas	127
6 Structure of the European Gas Market in 4 Countries	127
6.1 General Characteristics of the Gas Market	128
6.1.1 Increasing Consumption and Imports of Natural Gas in Western Europe	130
6.1.2 Gas Export of Major Gas Exporting Countries for Western Europe	132
6.2 Industry Structure and Ownership Prior to Liberalisation in 4 Countries	133
6.2.1 Structure and Ownership of the Gas Industry in Germany	138
6.2.2 Structure and Ownership of the Gas Industry in France	141
6.2.3 Structure and Ownership of the Gas Industry in Italy	143
6.2.4 Structure and Ownership of the Gas Industry in the United Kingdom	147
6.3 European Gas Networks	157
7 EU Liberalisation of the Gas Market	157
7.1 The First Stage: 1986-1990: Gas Transit Directive (90/547/EEC)	160
7.2 The Second Stage: 1991-1999: Internal Gas Market Directive (98/30/EC)	166
7.3 Implementing the Gas Directive Into German Law	167
7.4 Preparation for the Implementing of the Gas Directive in the EU	169
Part IV: Implications of Energy Liberalisation for Czech Republic	171
8 Implementing the Liberalisation Acquis in the Czech Republic	171
8.1 Lessons from the Adaptive Experience of the four Key EU Countries	174
8.2 The Dual Challenge: Privatisation and Liberalisation: Needs for Adaptation	177
8.3 The Czech Energy Position Paper and EU Goals for Implementation	180
8.4 Dual Challenge: Privatisation and Liberalisation: Need for Adaptation	181

9	Avoiding A Conflict between Liberalisation and Sustainability	181
9.1	EU Liberalisation Strategy vs. Environmental Goals	184
9.2	Cooperative Reregulation for a Sustainable EU Energy Policy	187
	Bibliography	187
	A. Books, Book Chapters, Journal Articles	194
	B. Publications of National Governments and of the European Union	195
	C. Internet Sources	198
	D. Press Sources: Press Releases and Press Articles	201

Appendix 203

Appendix A: Documents

Document 1:	Council Directive of 29 June 1990 concerning a Community procedure to improve the transparency of gas and electricity prices charged to industrial end-users (90/377/EEC)	203 206
Document 2:	Council Directive 90/547/EEC of 29 October 1990 on the transit of electricity through transmission grids	209
Document 3:	Commission Decision of 4 March 1992 setting up a Committee of Experts on the Transit of Electricity between Grids (92/ 167/EEC)	
Document 4:	Directive 96/92/EC of the European Parliament and of the Council of 19 December 1996 concerning common rules for the internal market in electricity	212
Document 5:	Decision No 1254/96/EC of the European Parliament and of the Council of 5 June 1996 laying down a series of guidelines for trans-European energy networks	225
Document 6:	97/548/EC: Commission Decision of 11 July 1997 defining the specifications of projects of common interest identified in the sector of the trans-European energy networks by Decision No 1254/96/EC of the European Parliament and of the Council, as amended by Decision No 1047/97/EC of the European Parliament and of the Council (Text with EEA relevance)	230
Document 7:	99/28/EC: Commission Recommendation of 14 December 1998 concerning the improvement of authorisation procedures for trans-European energy networks (notified under document number C(1998) 4063) (Text with EEA relevance)	232 234
Document 8:	Council Directive 91/296/EEC of 31 May 1991 on the transit of natural gas through grids	238
Document 9:	Commission Directive 95/49/EC of 26 September 1995 updating the list of entities covered by Directive 91/296/EEC on the transit of natural gas through grids	239
Document 10:	Directive 98/30/EC of the European Parliament and of the Council of 22 June 1998 concerning common rules for the internal market in natural gas	253
Document 11:	Position Paper of the Czech Republic on Chapter 14: Energy Brussels, 14 July 1999, Conference on Accession to the European Union, The Czech Republic (Conf-Cz 33/99)	259
Document 12:	The Single Market for Electricity: explanatory memorandum	267
Document 13:	Act on Granting Priority to Renewable Energy Sources (Renewable	

Energy Sources Act) - Unofficial translation	284
Document 14: European Commission: „Common Energy Policy - an overall view of energy policy and aims“	285
Document 15: European Commission: „The Internal Market and Energy Policy - The energy dimension of climate change“	287
Document 16: European Commission: „Common Energy Policy - Energy efficiency: towards a strategy for the rational use of energy“	289
Document 17: Common Rules for the Internal Market in Natural Gas: Explanatory Memorandum of the Commission	292
	292
Appendix B: On the Project	292
B-1: English Version: On the Project	293
1. Project description and project partners	294
2. Subcontractor: AFES-PRESS	295
3. On the author: Hans Günter Brauch	296
4. Abstract of the Study	296
	297
B-2: Deutsche Fassung: Zum Projekt	298
1. Projektbeschreibung und Projektpartner	298
2. Unterauftragnehmer: AFES-PRESS	299
3. Zum Autor: Hans Günter Brauch	300
4. Kurzfassung der Studie	300
	301
B-3: Česká verze: O projektu	301
1. Popis projektu a zúčastnění	302
2. Subkontraktor: AFES-PRESS	303
3. Abstrakt studie
